Practice Areas:

- Environmental
- Government and Regulatory
- Land Use, Zoning, and Concurrency
- Real Estate
- Title Insurance

Education:

University of Florida, B.S., 1988

Florida State University College of Law, J.D., 1997

Ms. Avery-Smith practices in the areas of land use, environmental and real estate law, including all aspects of real estate transactions from pre-purchase due diligence to entitlement of land to purchase and development of property. She often serves in a strategic management role of consultant teams on large and complex projects and has negotiated development orders, development agreements, school concurrency agreements, mitigation agreements and other documents establishing development rights. Ms. Avery-Smith also represents private landowners in obtaining federal, state and local permits associated with wetland impacts from construction projects and with creation of wetland mitigation and conservation banks. She is a member of the firm's Regulatory and Real Estate departments.
